**MEMO ENDORSED**

**JOINT MOTION TO EXTEND BRIEFING SCHEDULE**

Defendants Massachusetts Institute of Technology (“MIT”), President and Fellows of Harvard College (“Harvard”), Boston Children’s Hospital (“BCH”), Marine Biological Laboratory (“MBL”), University of Chicago (“UChicago”), The Rockefeller University (“RU”), and National Science Foundation (NSF)—Centers for Brains, Minds & Machines Cooperative Agreement (“NSF”) (collectively, “Defendants”) and Plaintiffs Karolina Maria Marciniak-Domingues Goncalves Agra and Pedro Henrique Marciniak-Domingues Goncalves Agra (collectively, “Plaintiffs”) hereby respectfully submit this joint motion to extend the briefing schedule deadlines set forth in the Court’s November 6, 2023 Order as follows:

- 1) Defendants' Individual and Consolidated Motions to Dismiss the First Amended Complaint: Due December 15, 2023.
- 2) Plaintiffs' Opposition: Due January 17, 2024.
- 3) Defendants' Replies (if any): Due January 31, 2024.

The Parties request this brief two-week extension of time to provide adequate time to prepare these motions, oppositions, and replies in light of the complicated factual background of this case, the large number of parties, and the intervening holidays. Extending the briefing scheduling by two weeks will not unnecessarily delay judgment in this matter, nor will it unduly prejudice any party. This is the Parties' first request for an extension of deadlines in the briefing schedule.
